

Investment Planning Counsel to acquire Titan Funds

Toronto (September 10, 2010): Investment Planning Counsel Inc. (“IPC”) and Titan Funds Incorporated (“Titan Funds”) today announced that a subsidiary of IPC will acquire Titan Funds. The planned acquisition is associated with IPC’s concurrent announcement that IPC will purchase the shares of Partners In Planning Financial Group Ltd. (“Partners In Planning”).

The transaction will be completed as a plan of arrangement under the *Business Corporations Act (Ontario)*, and is subject to regulatory, court and other approvals including the approval of shareholders of Titan Funds and unitholders of Titan Managed Portfolios.

“We are pleased to welcome Titan Funds into the IPC family of portfolio management services, and we look forward to working with our new colleagues and partners once this transaction is completed,” said Chris Reynolds, President of IPC.

“As a member of the Walton Group of Companies, we have developed the Titan brand into a successful fund family,” said Bill Doherty, CEO of Walton Global Investments Ltd., and controlling shareholder of Titan Funds. “However, we have now made a strategic decision to focus our efforts on Walton’s rapidly-growing core land-based real estate investing and development business.” The Walton Group is one of North America’s leading real estate investment groups.

Information circulars providing details with respect to the transaction will be mailed to shareholders of Titan Funds and unitholders of Titan Managed Portfolios in advance of special meetings to consider the transaction, currently expected to be held in October 2010. If approved by shareholders and unitholders, and assuming the satisfaction of all other conditions, the transaction would be expected to close within a short period following the meetings.
